

VILLAGE OF PORT DICKINSON
Work Session Agenda
February 27, 2018
5:00pm
at Port Dickinson Village Hall

1. Treasurer Miller will have the Budget filed with the Village Clerk by 3/20/18. The 3/27/18 meeting will be a Special Meeting to approve the Tentative Budget.
2. There will be no grass clippings picked up with yard waste this year due to the cost of disposal and time & cost of manpower. The weekly pickup will continue on Tuesdays beginning in April.
3. Mayor Burke has discussed the increase in satellite dishes mounted on roofs and the Code Officer is researching Codes pertaining to requiring dishes to be mounted in the rear of homes when possible.
4. Mayor Burke reported that the Town of Fenton will be introducing phosphate into their water which will help keep manganese and iron from settling in the pipes. Once this is done they will flush their hydrants and then the Village will flush hydrants.
5. Spring Newsletter will be mailed around April 1st.
6. Sgt Faughnan has been out of work since 2/1/18 and will be applying for disability insurance as his accruals are exhausted.
7. Amy J Stoddard Inc will be overhauling the Village website. There will be no updates listed on the website until the process is complete (around May 1).
