WHEREAS, the Town and Village each have a fully staffed and functional office for the enforcement and administration of their respective zoning laws and the New York State Building Code; and

WHEREAS, the Village previously contracted with the Town for the provision of enforcement and administration services related to the foregoing in the event of any absence or conflict preventing the Village Code Enforcement Officer from performing his or her duties (the “Code Services”); and

WHEREAS, municipal corporations have authority under New York State law to enter into agreements for the performance between themselves of their respective functions, powers and duties; and

WHEREAS, the parties desire to renew their prior agreement for services on the terms and conditions outlined herein;

NOW THEREFORE, in consideration of one dollar (\$1.00) and the mutual covenants herein contained, the parties agree as follows:

1. The Town shall furnish a qualified individual regularly employed by the Town to provide Code Services (the “Town CEO”) to the Village on an as-needed basis when absence or conflict prevents the Village Code Enforcement Officer from performing his or her duties, as reasonably identified by the Village. The Village will provide appropriate space and supplies to the Town CEO when performing the Code Services as required herein.
